ACHIEVEMENTS

- **NYP Scholarship (NYP)**
  Awarded to top-performing Year 2 students pursuing full-time diploma courses at Nanyang Polytechnic.

- **Best Performing Student [Y1] (NYP)**
  Awarded for being the top performing student in my course of study in my cohort at Nanyang Polytechnic in Year 1.

- **Director's List [Y1 S1/S2, Y2 S1] (NYP)**
  Awarded for being the top 15% in my course of study at Nanyang Polytechnic.

RELEVANT EXPERIENCE

- **Nanyang Polytechnic | Systems Security Project**
  Apr, 2024 - Aug, 2024
  Key responsibilities:
  - Built a secure file storage platform using Python Flask with integrated OAuth 2.0 and hCaptcha for enhanced security.
  - Implemented multi-factor authentication to protect user accounts.
  - Developed responsive user interfaces with HTML, CSS, and JavaScript for a seamless user experience.

- **Nanyang Polytechnic | App Development Project**
  Oct, 2023 - Mar, 2024
  Key responsibilities:
  - Employed Python with Flask and Plotly for dynamic data visualization.
  - Integrated WTForms with Python for streamlined form creation and validation.
  - Utilized HTML, CSS, and JavaScript for interactive user interfaces.

- **Neo Electronics Pte. Ltd. | IT Intern**
  Jun, 2022 - Aug, 2022
  Key responsibilities:
  - Supported customer service, resolving technical queries.
  - Performed regular maintenance and updates on computer systems.
  - Assisted with the configuration of IT devices and quality checks for deployment.

PARTICIPATED EVENTS

- **NYP Volunteer**
  Jun, 2024 | Apr, 2024 | Jan, 2024 | Jun, 2023
  Actively contributed as a volunteer for NYP's major events, including the NYP Open House 2024, and dedicated support to the NYP EAE Festivals in both 2023 and 2024. Also served as a Freshman Orientation Student Mentor in 2024.

- **Cisco APJC Netacad Riders Participant**
  Apr, 2022
  Participated in the Cisco APJC Netacad Riders program in April 2022, demonstrating skills in Cisco technologies and networking through engaging challenges and activities.

ACHIEVEMENTS

- **Distinction Modules (NYP)**
  - *Database Management Systems [Y2S1]*
  - *Network and Communications [Y2S1]*
  - *System Administration & Security [Y2S1]*
  - *Business Statistics [Y1S2]*
  - *Network Technology [Y1S2]*
  - *Infocomm Security [Y1S1]*

- **Edusave Awards [Y1] (NYP)**
  - *Edusave Academic 2024*

- **Outstanding Graduate Award (ITE)**
  Awarded for being the top graduate in my course of study at ITE College East.

- **Edusave Awards [Y1/Y2] (ITE)**
  - *Edusave Academic 2023/2022*
  - *Edusave (EAGLES) 2023*
  - *Edusave Character 2022*

- **Director's List [Y1 S1/S2, Y2 S2] (ITE)**
  Awarded for being the top 10% in my course of study at ITE College East.

- **Distinction Modules (ITE)**
  - *System Programming [Y2S2]*
  - *Wireless and Network Security [Y2S2]*
  - *Advanced Networking [Y2S1]*
  - *Virtualization [Y1S2]*
  - *Applied Scripting Using Python [Y1S2]*
  - *Computer Maintenance and Operating Systems [Y1S1]*
  - *Networking Technology [Y1S1]*
  - *Linux Essentials [Y1S1]*

SKILLS

Hard Skills

- **Web Development:** HTML, CSS, JavaScript, Python, Flask
- **Information Security:** Network Security, Database Management (SQL)
- **Data Analysis:** Tableau
- **UX Design:** Figma, Canva
- **System Administration:** Windows, Windows Server, Linux
- **Network Technology:** LAN/WAN, TCP/IP, Network Maintenance
- **Programming Languages:** Python, C#, JavaScript
- **Technical Support:** Computer Maintenance, Operating Systems Management

Soft Skills

- Time Management
- Team Collaboration
- Independent Work
- Communication
- Problem-Solving
- Adaptability
- Critical Thinking
- Leadership
- Attention to Detail

EXTRACURRICULAR ACTIVITIES

- **World Skills | IT Network Systems Administration**
  Jun, 2024 - (Ongoing)
  Currently training for World Skills in IT Network Systems Administration, focusing on mastering advanced networking techniques, system administration.

- **Subcommitee Member | School of IT Club**
  Jun, 2024 - (Ongoing)
  Contributed to organizing events, promoting club activities, and enhancing student engagement through various initiatives.

- **Member | Community Service Club**
  Apr, 2024 - (Ongoing)
  Member of the Community Service Club, with plans to participate in future events and community service initiatives.

- **Class Representative | Class Group**
  Apr, 2023 - Mar, 2024
  Represented the class, assisted in organizing activities, and conveyed announcements, ensuring everyone remained informed and engaged.

- **Founding Member | Mixed Reality Club**
  Apr, 2022 - Mar, 2023
  Showcased AR and VR technologies, demonstrating their practical applications, and organized events to highlight the benefits and potential of mixed reality tech.
